Register online at: cme.uchicago.edu

CONFERENCE DESCRIPTION

The evolving landscape of perioperative medicine has dramatically increased the scope and complexity of anesthesia care. New techniques, new drugs, new evidence, quality and safety concerns all play a role in today's practice environment. This conference will focus on areas of anesthetic care that require integrating these new aspects of medical care. Increasingly, we need to know not only whether techniques are effective, but also high quality, safe, evidence-based, and cost effective.

CONFERENCE OBJECTIVES

At the conclusion of this conference, participants will be able to:

- *Identify the effect of revolutionary changes in health care on anesthesia practice;*
- *Use new techniques, drugs and monitors;*
- *Incorporate these new tools into practice in the changing environment.*

TARGET AUDIENCE

The target audience includes Anesthesiologists, Certified Registered Nurse Anesthetists and other clinicians and health care professionals working with a variety of patients and practice settings.

OPTIONAL AFTERNOON WORKSHOPS

Problem Based Learning Discussions (PBLD)

These one hour small-group, case-based, active learning sessions use specific case scenarios to address a wide selection of anesthesia topics. The format involves a faculty facilitator and up to 12 participants per session. Specific case information and selected readings are provided in advance to participants, who arrive at the session ready to participate actively. We have chosen six of our most popular teachers to serve as facilitators, each on a topic in their own specialty. If there is sufficient group interest, the session may include case scenarios and/or examples from your own practice, relevant to the topic area and sent in advance to the facilitator.

Price: \$55.00 per session. Each session will be strictly limited to a maximum of 12 participants. Participants may register for multiple PBLD sessions. Each session is 1 hour.

Ultrasound Workshop—Friday, December 2nd

Once again, we are offering a Regional Anesthesia with Ultrasound Applications workshop led by Michael Woo, MD, University of Chicago and Stuart A. Grant, MD, Duke University Medical Center. This hands-on workshop is open to all registered participants for an additional fee of \$250.

Focused Airway Workshop—Saturday, December 3rd

This year we are offering an Advanced Airway Management workshop led by Allan Klock, MD, University of Chicago, and members of the Department of Anesthesia and Critical Care at The University of Chicago. The workshop will focus on new and/or evolving airway management strategies, including LMA guided intubation, videolaryngoscopy, difficult or failed intubation, and difficult extubation. This hands-on workshop is open to all registered participants for an additional fee of \$200.

ACCREDITATION AND CREDIT DESIGNATION

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of **20.50 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other health professionals will receive a Certificate of Attendance. For information on applicability and acceptance, please consult your professional licensing board.

EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

LOCATION AND ACCOMMODATIONS

Come and enjoy the Holiday season in Chicago! The conference sessions will be held at The Drake Hotel, one of Chicago's finest hotels, located on Michigan Avenue, the "Magnificent Mile." A block of rooms has been reserved at The Drake and we are pleased to offer our special discounted rate of \$237/\$257 single or double room occupancy.

To reserve your room at The Drake Hotel, please visit their website at: <http://bit.ly/drakenB3y3b> or you may call the hotel directly at 1-800-55-DRAKE, (in Illinois, 312-787-2200), indicating you are attending The University of Chicago Anesthesia Critical Care Conference. Room reservations must be made by **November 2, 2011** to guarantee the reduced rate. The hotel requires a first night's deposit at the time of reservation, which is refundable up to 72 hours in advance of conference date. Check-in time is 3 p.m. and check-out time is 12 p.m. In the event a check-out occurs prior to the reserved check-out date, the hotel will add an early check-out fee equal to one night room and tax. To avoid this fee, please advise the hotel at or before check-in of any change in planned length of stay.

Due to the annual meeting of the Radiological Society, we strongly recommend you make your reservations early, as hotels in Chicago will be sold out.

Chicago is truly a city with something for everyone! To help plan your stay in Chicago visit: www.choosechicago.com.

The University of Chicago reserves the right to cancel or postpone this conference due to unforeseen circumstances. In the unlikely event this activity must be cancelled or postponed, the registration fee will be refunded; however, The University of Chicago is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.
